# EXTRACT OF OUR PRESIDENT'S SPEECH AT THE 86<sup>TH</sup> AGM

This meeting will be conducted following the guidelines issued by the Ministry of Culture, Community and Youth (MCCY) last year. Members can only log in to view and listen to the proceeding. However, they are not able to speak or present their views physically. As at the closing date and time the valid number of proxy forms submitted was 70 out of a total of 72 proxy forms received, we have a quorum to proceed with the meeting.

# <u>Loans</u>

For the year 2021, a total of \$12,168,042 was granted and this loan amount was \$332,532 higher than the previous year. Income from the loans including administrative fees was about \$1.29 million.

### **Investments**

The Co-op achieved an ROI of 4.49% and 1.23% on the Co-op Restricted Investment (RI) and Non-restricted Investment (non-RI), respectively. The total income was \$1,575,389, that was derived from the RI income of \$890,486 and non-RI income of \$681,903.

#### **Restricted Investment (RI)**

The approved limit to invest up to 30% of the Co-op's total assets in RI expired on May 2022 and members' approval was required to extend the limitation for another 3 years, from 11 June 2022 to 10 June 2025.

### Term Deposit Rate

Incomes of the Co-op in 2021, particularly from bank interest income, was impacted by the Covid-19 pandemic. However, despite low interest offers from the banks and financial institutions, the Co-op managed to maintain its term deposit rate at 0.8% p.a. for the benefit of the members.

#### Maximum Liability (\$75 million)

As the maximum liability limit of the Co-op was set at \$75 million in 2021 and during the course of the year, total members' deposits (Term Deposit, Bonus Savings and General Savings) amounted to more than \$73 million, the Management had no other choice but to temporarily decline new deposits. The temporary suspension was needed to avoid breaching the limitation set for 2021.

### Surplus for the year

Surplus for 2021 was \$657,452.00. Although members had given their approval via proxy forms, the Co-op had to hold back the resolution due to a calculation error in the honorarium and Common Good fund. The Co-op had sought advice from the Registrar of Co-operatives on how to resolve this issue so that payment on the distribution could be made out to members.

### **Membership**

During the pandemic, no new membership campaign could be carried out and neither school visits nor publicity drives at the NIE Teachers' Investiture was carried out. The total number of members as at 31 Dec 2021 was 4,200, and that was 47 lesser than that in 2020. The president urged all members to help the Co-op by inviting their non-member colleagues to join the society.

### **Golden Mile Complex**

The collective sale of Golden Mile Complex had been concluded and, barring any unforeseen event, the completion of the collective sale order and legal issues are projected to be in Oct 2022 and Jan 2023, respectively. Members will be kept posted on this matter via the Society's website.

#### Ms S Telakavathi (Sheela)

S. Telakavathi joined the Society on 17 Aug 1989 as an Office Executive and had served as a Loan Executive for many years. After a prolonged illness, she succumbed and passed away on 10 Nov 2021. The Society wishes to express its deep condolences to members of her family.

#### Election to be a member of the Committee of Management (COM)

It is heartening to note that there were six candidates vying for the three available seats in the COM. All six are currently serving teachers and out of the six, three are seeking re-election to the COM.

# EXTRACT OF OUR CHAIRMAN'S SPEECH AT THE EGM ON 30<sup>TH</sup> JULY 2022

Resolution 4 which detailed the distribution of the 2021 net surpluses was approved by you earlier, prior to the 86th AGM meeting held on 25 June 2022. The approval had to be held back due to a presentation error. Hence, the Co-op is convening and holding an EGM on 30<sup>th</sup> July 2022 with the corrected version tabled as a resolution for your approval.

With the proposed revised distribution of 2021 net surplus, members had voted and decided on the proposed resolution.

### **RESOLUTION**

Resolution 4 on the distribution of 2021 surpluses was carried with 40 out of the 42 valid votes received. With this, the Co-op will be paying an 8% dividend and 5% loan interest rebate, which were the same rates as that of the previous year.
